

ALBEMAR B. SANDOY

Kabasalan, Zamboanga Sibugay, Philippines | +63 945 816 7686 | albemarsandoy18@gmail.com

PROFESSIONAL SUMMARY

BS Accountancy graduate and Civil Service Professional eligible, currently preparing for the CPA Licensure Examination (CPALE). Experience in business operations support, records management, and academic instruction, with strong skills in data organization, CRM systems, and financial documentation. Detail-oriented and adaptable, with a track record of supporting US-based clients and academic institutions in fast-paced, remote environments.

EDUCATION

Bachelor of Science in Accountancy 2021 – 2026
Western Mindanao State University, Zamboanga City

Senior High School – STEM Strand 2016 – 2020
Francisco Ramos National High School, Kabasalan, Zamboanga Sibugay

CERTIFICATIONS & ELIGIBILITY

- Civil Service Examination, Professional Level (Paper-and-Pencil Test) – Passed
- CPA Licensure Examination (CPALE) – Candidate, currently under review

TRAININGS & SEMINARS

- English Proficiency for International Competitiveness (EPIC) Program – Western Mindanao State University

EXPERIENCE

US Virtual Assistant – Business Operations & Client Support May 2025 – June 2026
Remote – BHMedia Company, ADVERTRA Co., LeadBolt Homes Co., Taxlow PPL

- Managed CRM systems (GoHighLevel), client databases, and internal communications (Slack, TextGrid) across multiple US-based client accounts.
- Built and maintained client websites and configured automated business workflows to streamline operations.
- Coordinated calendar bookings, appointment scheduling, and day-to-day client communication across email, SMS, and chat channels.
- Executed SMS and email marketing campaigns and conducted lead generation, prospect research, and B2B outreach to support client sales pipelines.
- Prepared and maintained spreadsheets and reports in Excel to track operations and performance.

Teaching Assistant Intern Aug 2024 – Dec 2024
Western Mindanao State University

- Independently designed and delivered full lesson plans and lecture materials for accounting subjects across first- and second-year college classes, teaching approximately 150 students across three class sections.
- Built lecture presentations from scratch under tight turnaround deadlines, adapting content and pacing to different year levels and class sizes.
- Wrote, administered, and independently graded all exams and quizzes, taking full ownership of instruction and assessment for assigned subjects.
- Developed strong adaptability and classroom management skills managing the teaching load for multiple classes simultaneously.

Records Management Assistant May 2024
Aurora Integrated Multi-Purpose Cooperative (AIMCoop), Kabasalan Branch

- Digitized paper records to improve accessibility and accuracy of institutional documentation.
- Maintained an organized filing system to support efficient document management.
